OfficeTroops

CASE STUDY

Recruitment Platform SAAS for a \$300 Million Molded Products Company

"Office troops turbo charged our recruitment turnaround time in addition to enhancing our ability to source the correct candidate fits in terms of suitability and cultural fits. The icing on the cake is that the entire process is digital with great dashboards and visibility in the entire hiring process."

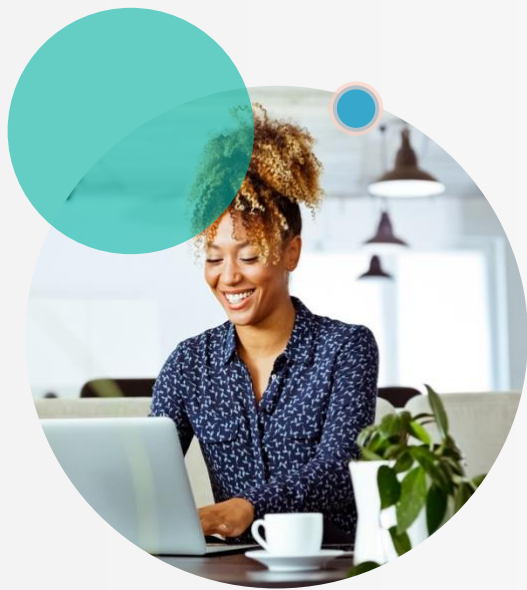

— Amar N. General Manager

THE GOAL

- **Digitize sourcing** and enable hiring at scale for a 5000+ employee molded products company.
- Speed up hiring time and provide **hiring metrics** for analysis and evaluation.
